

Maruel Silorio

RELEVANT PROJECTS

Project Manager

EXPERIENCE

20+ Years Telecomm Industry
1 Year with Capitol Communications

ABOUT

Maruel brings 20 years of industry experience delivering complex IT and telecommunications projects. Throughout his career he has led large-scale deployments, managed cross-functional teams, and supported enterprise infrastructures across global organizations, including Cisco Systems. He brings deep expertise in network systems, data center operations, and end-to-end project lifecycle management, with a strong focus on execution and results. Notably, he has identified and implemented cost-saving initiatives that reduced telecommunications expenses by over \$2 million, demonstrating his ability to combine technical insight with strategic thinking. He is known for driving efficiency, solving complex challenges, and consistently delivering high-quality outcomes in fast-paced environments.
